Dear Child Care Provider,

This letter is in regards to the April 16, 2015 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home.

The following areas were out of compliance at the time of my visit:

- ☐ 110.5(1)n Each smoke detector is tested monthly, and a record is kept for inspection purposes. *The provider does not keep track of testing smoke detectors monthly.*

110.5(2) A provider file is maintained and contains:

- ☐ 110.5(2)a A physician's signed statement of health and immunization status on the provider and all members of the household who may be present when children are in the home. Statements must be obtained at the time of initial registration and updated every two years. *The provider's husband does not have one on file. She reported he is not home. DHS field staff inquired into times when he might be home (ill, vacation days, etc.). The provider agreed to have him complete a physical and keep in file. DHS field staff referred provider to CCRR to obtain updated Provider Physical which is good for 3 years.*

110.5(8) Children's Files

- ☐ 110.5(8) An individual file is maintained for each child and updated annually or when there are changes. *The provider has 11 children enrolled and there were 3 children present during the compliance check. DHS field staff reviewed that all forms in children's files need to updated yearly.*

110.9(1) SPECIFIC REQUIREMENTS FOR CHILD DEVELOPMENT HOME CATEGORY "B" *The provider was in compliance with the number of children she can care for. This is included for informational services only.*

110.9(1)a Not more than six preschool children present at any one time including infants.

110.9(1)b Of these six children, not more than four children who are 24 months of age or younger are present at any one time.

110.9(1)b Of the four children under 24 months of age, no more than three may be 18 months of age or younger.

110.9(1)c Not more than four additional school-age children.

110.9(1)d Not more than two children who are receiving care on a part-time basis at any one time.

110.9(1)e Not more than 12 children present when the emergency school closing exception is in effect.

110.9(1)f When more than 8 children are present for more than two hours, a DHS-approved assistant at least 14 years old is present.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

☒ Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.
